#connectit

- Before putting this product into operation please read through the User's Manual carefully, even if you are already familiar with the use of similar products. Use the product only as described in this User's Manual.
- Keep this User's Manual for future reference. It is an integral part of the product and may contain important instructions for commissioning this product, its operation and cleaning.
- Make sure that all other people handling this product are familiar with this Manual. If you hand the product over to other people, make sure that they read this User's Manual, which shall be given to them together with the product.

We recommend keeping the original packaging of the product, proof of purchase and the warranty card, if supplied, at least for the warranty period. In case of transport, we recommend packing the product in the original packaging, in which it has been delivered in, as it protects it best against damage during transport.

## 1 Important Safety Warnings and Instructions

- This product may be used by children over 8 years of age and persons with reduced physical, sensory or mental capabilities, or persons without sufficient experience or knowledge, only if they are under supervision or they have been instructed about using the product safely and understand the potential dangers.
- Children must not be allowed to play with this product.
- Children must not perform the cleaning and user maintenance of this product without supervision.

### ⚠ DANGER! RISK OF INJURY! LASER LIGHT - DO NOT LOOK INTO THE LASER BEAM!

- CLASS 3 LASER PRODUCT
- WAVELENGTH: 650 nm
- MAXIMUM OUTPUT POWER: < 5 mW  
(The product complies with IEC 60825-1:2014)
- Before the first use of the product, remove all packaging and marketing materials.
- Never aim the laser pointer at the faces or eyes of people (danger of exposure to the laser beam).
- Never look into the laser beam (prolonged exposure may be dangerous).
- The laser pointer is designed to illuminate inanimate objects only. Do not aim it at animals and do not use it as a toy for pets.
- The use of the controls and settings or performing the procedures in another way than described in this Manual may result in hazardous radiation exposure.
- Never aim the laser pointer at planes and/or other means of transport.
- Never aim the laser pointer at reflective surfaces, such as mirrors, glossy stainless steel, etc.
- This product is not a toy and it is not intended for children to play with.
- Do not use the product if it is visibly damaged.
- Do not use the product if it has come into contact with water or any other liquid.
- Do not use the product in an environment with increased levels of dustiness and humidity.
- The product is intended for use in an environment with a temperature range of 0 to 35 °C.
- This product is for indoor use only.
- Do not use the product in an environment where the use of electronic devices is prohibited.
- Do not repair the product yourselves. Have it repaired by a qualified professional.
- Tampering with the product during the warranty period poses the risk of the warranty becoming void.

## 2 Package includes:

- 30 cm long Micro-USB charging cable
- Wireless presenter with a laser pointer
- Wireless USB-A nano receiver
- User Manual

## 3 Technical specification

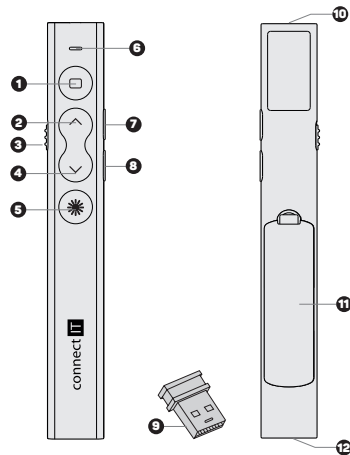

- Connection: USB-A 2.0 nano receiver for laptop or desktop computer
- Immediate use with Windows and Mac OS X operating systems without installation (Plug & Play)
- Wireless radio transmission at 2.4 GHz with a range of up to 30 m
- Laser pointer range up to 200 m
- Low battery indication at < 1.0 V
- Lithium-polymer battery with 200 mAh capacity
- Laser class: class 3 laser product
- Laser wavelength: 650±10 nm (red laser)
- Laser power: 2.5 - 3.0 mW (< 5 mW according to IEC 60825-1:2014)
- Dimensions (w × d × h): 18.5 × 13.5 × 136 mm
- Weight without USB nano receiver: 23 g
- Weight with USB nano receiver: 25 g

## 4 Description of individual parts

A

- 1 Three functions in one (TAB, ENTER, ALT+TAB)
- 2 Two functions in one (PAGE UP, FULL SCREEN)
- 3 Slider to turn the whole presenter on and off
- 4 Two functions in one (PAGE DOWN, BLACK SCREEN)
- 5 Turning the laser pointer off/on
- 6 Indication of active laser pointer function and low battery indication
- 7 Three functions in one (VOLUME UP, PLAY, PAUSE)
- 8 Three functions in one (VOLUME DOWN, NEXT, PREVIOUS)
- 9 Wireless USB-A nano receiver
- 10 Laser pointer lens
- 11 Micro-USB charging port
- 12 Storage compartment for USB-A nano receiver

# Obsah je uzamčen

**Dokončete, prosím, proces objednávky.**

**Následně budete mít přístup k celému dokumentu.**

**Proč je dokument uzamčen? Nahněvat Vás rozhodně nechceme. Jsou k tomu dva hlavní důvody:**

- 1) Vytvořit a udržovat obsáhlou databázi návodů stojí nejen spoustu úsilí a času, ale i finanční prostředky. Dělali byste to Vy zadarmo? Ne\*. Zakoupením této služby obdržíte úplný návod a podpoříte provoz a rozvoj našich stránek. Třeba se Vám to bude ještě někdy hodit.

*\*) Možná zpočátku ano. Ale vězte, že dotovat to dlouhodobě nelze. A rozhodně na tom nezbohatneme.*

- 2) Pak jsou tady „roboti“, kteří se přiživují na naší práci a „vysávají“ výsledky našeho úsilí pro svůj prospěch. Tímto krokem se jim to snažíme překazit.

A pokud nemáte zájem, respektujeme to. Urgujte svého prodejce. A když neuspějete, rádi Vás uvidíme!
