INTO YOUR FUTURE

Thank you for choosing this Bluetooth car kit CK-B1. It's especially designed for safe driving, easy to call and answer a call when you are driving.

Please, read the instructions carefully, before installation.

1. Charge CK-B1

Make sure that your Bluetooth car kit is fully charged before starting to use it. You need to charge it with the Micro USB cable (included). When the LED is flashing in green, it's charging. When the green indicator turns off, the device is fully charged.

2. Turn on CK-B1

Switch the right-side power button, to turn on/off the device.

3. Auto power on/off

The car kit has a built-in vibration start-up function. After pairing it to your smartphone, the device turns off automatically when you don't use it for 5 minutes or you get more than 10 meters away from the device. To power the device back on, open/close the car's door or tap the car kit.

Note: if you disconnect the device from your mobile manually, it would not reconnect automatically next time.

4. Multi-languages

This speaker supports English, German, French Italian, Spanish, Japanese and Chinese Voice Prompt. Long press the left small round button (MUTE Button) to switch between languages.

5. Pairing CK-B1 with the first phone
When using this Bluetooth car kit for the first time, you need to pair it with your mobile phone.
a. Turn on the Bluetooth car kit, and you will listen the voice prompt "power on-Ready to Pair".
b. Activate your mobile phone's Bluetooth function to search for the pairing name "Tellur CK-B1".
c. Select the pairing name Tellur CK-B1, in your mobile phone, and press it to pair (some mobile phones may require entering the password"0000"). After successfully paired, you will hear the voice prompt" CONNECTED".
Notes: If it was not paired successfully for the first time, please turn Off/On the device to repeat the above steps for pairing.

6. Connecting to the second phone
This device supports connecting 2 mobile phones simultaneously.
Please follow the next steps to operate:
a)Disconnect the 1st mobile phone from CK-B1.
b)Pair CK-B1 with the 2nd mobile phone.
c)Pair 1st mobile phone with CK-B1 by pressing last pairing record on your phone.

7. Answer /Reject Call
7.1 While the phone is ringing, answer the call by shortly pressing the middle round button.
7.2 Reject the call by long pressing the

Obsah je uzamčen

Dokončete, prosím, proces objednávky.

Následně budete mít přístup k celému dokumentu.

Proč je dokument uzamčen? Nahněvat Vás rozhodně nechceme. Jsou k tomu dva hlavní důvody:

1) Vytvořit a udržovat obsáhlou databázi návodů stojí nejen spoustu úsilí a času, ale i finanční prostředky. Dělali byste to Vy zadarmo? Ne*. Zakoupením této služby obdržíte úplný návod a podpoříte provoz a rozvoj našich stránek. Třeba se Vám to bude ještě někdy hodit.

   *) Možná zpočátku ano. Ale vězte, že dotovat to dlouhodobě nelze. A rozhodně na tom nezbohatneme.

2) Pak jsou tady „roboti", kteří se přiživují na naší práci a „vysávají" výsledky našeho úsilí pro svůj prospěch. Tímto krokem se jim to snažíme překazit.

A pokud nemáte zájem, respektujeme to. Urgujte svého prodejce. A když neuspějete, rádi Vás uvidíme!
