

REMINGTON®

EST. NEW YORK 1937

**PROluxe You Adaptive Hot Airstyler
AS9880**

Thank you for buying your new Remington® product. Please read these instructions carefully and keep them safe. Remove all packaging before use.

WARNING: This appliance is hot. Keep out of reach of children at all times.

IMPORTANT SAFEGUARDS

- This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been supervised/instructed and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be done by children unless they are older than 8 and supervised. Keep the appliance and cable out of reach of children under 8 years.

 Do not use this appliance near bathtubs, showers, basins or other vessels containing water.

- When the appliance is used in a bathroom, unplug it after use since the proximity of water presents a hazard even when the appliance is switched off.
- For additional protection, the installation of a residual current device (RCD) having a rated residual operating current not exceeding 30 mA is advisable in the electrical circuit supplying the bathroom*.

* Currently, the fitting in a bathroom of an electrical socket suitable or capable of operating the appliance is not permitted in the UK (see B57671).

- If the supply cord of this unit becomes damaged, discontinue use immediately and return the appliance to your nearest authorised Remington® service dealer for repair or replacement in order to avoid a hazard.
- This appliance must not be connected to a switching device like a timer, or connected to a mains supply that may become interrupted by the electricity provider. This prevents a hazard which may occur if the thermal cut-out becomes activated for any reason, and is then reset by disconnection of the supply causing the appliance to reheat once the supply is restored.

Obsah je uzamčen

Dokončete, prosím, proces objednávky.

Následně budete mít přístup k celému dokumentu.

Proč je dokument uzamčen? Nahněvat Vás rozhodně nechceme. Jsou k tomu dva hlavní důvody:

1) Vytvořit a udržovat obsáhlou databázi návodů stojí nejen spoustu úsilí a času, ale i finanční prostředky. Dělali byste to Vy zadarmo? Ne*. Zakoupením této služby obdržíte úplný návod a podpoříte provoz a rozvoj našich stránek. Třeba se Vám to bude ještě někdy hodit.

**) Možná zpočátku ano. Ale vězte, že dotovat to dlouhodobě nelze. A rozhodně na tom nezbohatneme.*

2) Pak jsou tady „roboti“, kteří se přiživují na naší práci a „vysávají“ výsledky našeho úsilí pro svůj prospěch. Tímto krokem se jim to snažíme překazit.

A pokud nemáte zájem, respektujeme to. Urgujte svého prodejce. A když neuspějete, rádi Vás uvidíme!
