KRUPS

NESPRESSO

Nespresso, an exclusive system creating a superb Espresso, time after time.

All machines are equipped with a unique extraction system that guarantees up to 19 Bar pressure. Each parameter has been calculated with great precision to ensure that all the aromas from each Grand Cru can be extracted, to give the coffee body and create a thick and smooth crema.

Nespresso, un système exclusif pour reproduire à l'infini un Espresso parfait.

Toutes les machines *Nespresso* sont équipées d'un système d'extraction unique à très haute pression (jusqu'à 19 bar). Chaque paramètre est calculé avec précision pour révéler la totalité des arômes de chaque Grand Cru de café, lui donner du corps et générer une crema* d'une densité et d'une onctuosité incomparables.

SAFETY PRECAUTIONS

⚠ CAUTION: the safety precautions are part of the appliance. Read them carefully before using your new appliance for the first time. Keep them in a place where you can find and refer to them later on.

⚠ CAUTION: when you see this sign, please refer to the safety precautions to avoid possible harm and damage.

ℹ INFORMATION: when you see this sign, please take note of the advice for the correct and safe usage of your appliance.

- The appliance is intended to prepare beverages according to these instructions.
- Do not use the appliance for anything other than its intended use.
- This appliance has been designed for indoor and non-extreme temperature

conditions use only.

- Protect the appliance from direct sunlight effect, prolonged water splash and humidity.
- This appliance is intended to be used in households and similar applications only such as: staff kitchen areas in shops, offices and other working environments, farm houses; by clients in hotels, motels and other residential environments; bed and breakfast type environments.
- This appliance may be used by children of at least 8 years of age, as long as they are supervised and have been given instructions about using the appliance safely and are fully aware of the dangers involved. Cleaning and user maintenance shall not be made by children unless they are older than 8 and they are supervised by an adult.
- Keep the appliance and its cord out of reach of children under 8 years of age.
- This appliance may be used by persons with reduced physical, sensory or mental capabilities, or whose experience or knowledge

is not sufficient, provided they are supervised or have received instruction to use the appliance safely and understand the dangers.

- Children shall not use the appliance as a toy.
- The manufacturer accepts no responsibility and the guarantee will not apply for any commercial use, inappropriate handling or use of the appliance, any damage resulting from use for other purposes, faulty operation, non-professionals' repair or failure to comply with the instructions.

Avoid risk of fatal electric shock and fire

- In case of an emergency: immediately remove the plug from the power socket.
- Only plug the appliance into suitable, easily accessible, earthed mains connections. Make sure that the voltage of the power source is the same as that specified on the rating plate. The use of an incorrect connection voids the guarantee.

The appliance must only be connected after installation

- Do not pull the cord over sharp edges, clamp it or allow it to hang down.
- Keep the cord away from heat and damp.
- If the supply cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons, in order to avoid all risks.
- If the cord is damaged, do not operate the appliance. Return the appliance to the *Nespresso Club* or to a *Nespresso* authorized representative.
- If an extension cord is required, use only an earthed cord with a conductor cross-section of at least 1.5 mm² or matching input power.
- To avoid hazardous damage, never place the appliance on or beside hot surfaces such as radiators, stoves, ovens, gas burners, open flame, or similar.
- Always place it on a horizontal, stable and even surface. The surface must be resistant to heat and fluids, like water, coffee, descaler or similar.

Obsah je uzamčen

**Dokončete, prosím, proces objednávky.
Následně budete mít přístup k celému dokumentu.**

Proč je dokument uzamčen? Nahněvat Vás rozhodně nechceme. Jsou k tomu dva hlavní důvody:

1) Vytvořit a udržovat obsáhlou databázi návodů stojí nejen spoustu úsilí a času, ale i finanční prostředky. Dělali byste to Vy zadarmo? Ne*. Zakoupením této služby obdržíte úplný návod a podpoříte provoz a rozvoj našich stránek. Třeba se Vám to bude ještě někdy hodit.

**) Možná zpočátku ano. Ale vězte, že dotovat to dlouhodobě nelze. A rozhodně na tom nezbohatneme.*

2) Pak jsou tady „roboti“, kteří se přiživují na naší práci a „vysávají“ výsledky našeho úsilí pro svůj prospěch. Tímto krokem se jim to snažíme překazit.

A pokud nemáte zájem, respektujeme to. Urgujte svého prodejce. A když neuspějete, rádi Vás uvidíme!
