ELECTRONICS

LAMAX X10.1

Waterproof up to 40 m

Native 4K video at 30 fps

Photo resolution of 12MP

Image stabilisation at every resolution

Wi-Fi

Safety precautions

1. Avoid dropping or exposing the camera to impact and other potential causes of mechanical damage.
2. Do not place the camera near objects that generate magnetic fields, such as magnets or electric motors. Do not place the camera too close to objects that emit powerful radio waves, such as antennas. Strong magnetic fields or radio waves may cause damage to the camera or corrupt captured video and audio recordings.
3. Do not expose the camera to high temperatures or direct sunlight.
4. Use only high-quality microSDHC and SDXC cards with a Speed Class rating of at least Class 10 UHS-I U1. For shooting at a resolution of 4K at 30 fps (fps = frames per second) and 1080p at 120 fps we recommend using UHS-I U3 cards. Slower cards may limit the functionality of the camera and it may not be able to record in all modes and at all resolutions.
5. Do not place the microSD card near magnetic fields or in places where a lot of static electricity may build up. This will prevent any accidental loss of saved data.
6. If the device overheats, produces smoke or a suspicious odour whilst charging, immediately unplug the device and stop charging.
7. When charging, keep the camera out of reach of children. The power cord may cause electric shock or strangulation. Do not charge unattended.
8. Do not use fast charging adapters. An input voltage higher than 5V may damage the camera.
9. Store the camera in a cool, dry, dust-free environment.

Introduction

Thank you for purchasing the LAMAX X10.1 action camera. You have acquired a durable assistant for any situation, that fears no challenge and will reward you with high-quality native 4K recordings at thirty frames per second. A wide range of accessories are included in the basic package so you can fully utilise the camera right out of the box. We wish you many a wonderful experience forever preserved thanks to the LAMAX action camera.

LAMAX X10.1 action camera features

- Waterproof casing means you can dive to a depth of 40 m, making it ideal for scuba diving and water sports.
- High-quality video at a resolution of 4K at 30 fps, 2.7K at 30 fps, Full HD at 120 fps and HD at 240 fps.
- Slow motion video without additional post-production. Up to 4x slower in full HD and up to 8x slower in HD quality.
- Wide-angle lens of up to 170°.
- 6-axis gyro optical image stabilisation for smooth shots at any resolution.
- Takes photos up to 12MP resolution.
- Wide selection of resolutions for video and photo.
- Time-lapse photo and time-lapse video modes.
- Choice of photo capture modes.
- Ability to adjust photo and video exposure.
- Choice of metering modes when taking photos or shooting video.
- Wide range of accessories included, making it easy to shoot anytime and anywhere.
- Support for microSDHC and microSDXC cards up to 64 GB (U3 cards recommended).
- USB and HDMI connectivity.
- Integrated Wi-Fi for connecting to wireless devices.
- LAMAX mobile application for wireless transfer and video sharing.
- Option of using remote control supplied as standard.
- Intuitive to use and simple connection to PC or appropriate mobile devices.

Obsah je uzamčen

Dokončete, prosím, proces objednávky.

Následně budete mít přístup k celému dokumentu.

Proč je dokument uzamčen? Nahněvat Vás rozhodně nechceme. Jsou k tomu dva hlavní důvody:

- 1) Vytvořit a udržovat obsáhlou databázi návodů stojí nejen spoustu úsilí a času, ale i finanční prostředky. Dělali byste to Vy zadarmo? Ne*. Zakoupením této služby obdržíte úplný návod a podpoříte provoz a rozvoj našich stránek. Třeba se Vám to bude ještě někdy hodit.

**) Možná zpočátku ano. Ale vězte, že dotovat to dlouhodobě nelze. A rozhodně na tom nezbohatneme.*

- 2) Pak jsou tady „roboti“, kteří se přiživují na naší práci a „vysávají“ výsledky našeho úsilí pro svůj prospěch. Tímto krokem se jim to snažíme překazit.

A pokud nemáte zájem, respektujeme to. Urgujte svého prodejce. A když neuspějete, rádi Vás uvidíme!
