Please read these instructions first before using your appliance

Dear Customer,

Thank you for choosing a Beko appliance. Please take some time to read this user manual before using your appliance, to ensure you know how to safely operate the controls and functions. Carefully follow all unpacking and installation instructions to ensure the appliance is correctly connected and fitted prior to use. Please write your product model and serial number on the last page of this user manual, and store in a safe location close to the appliance for easy future reference. This user manual may also be applicable for several other models. Differences between models will be listed. If you have any questions or concerns, please call our contact centre or find help and information online at www.beko.co.uk

Take them to the packaging material collection points designated by the local authorities.
	<ul style="list-style-type: none">• Allergy UK, is the brand of British Allergy Association. Their main endorsement is the 'Seal of Approval'. When you see a product with this logo on it, you have the reassurance the product has been scientifically tested to prove it is efficient at reducing/removing allergens from the environment of allergy and asthma sufferers or the products have significantly reduced allergen/chemical content.
 APPAREL CARE	<p>“The wool wash cycle of this machine has been approved by The Woolmark Company for the washing of machine washable wool products provided that the products are washed according to the instructions on the garment label and those issued by the manufacturer of this washing machine. M1520 “In UK, Eire, Hong Kong and India the Woolmark trade mark is a Certification trade mark.”</p>

This product was manufactured using the latest technology in environmentally friendly conditions.

1 Important instructions for safety and environment

This section contains safety instructions that will help protect from risk of personal injury or property damage. Failure to follow these instructions shall void any warranty.

1.1 General safety

CAUTION!

- This product can be used by children at and above 8 years old and by persons whose physical, sensory or mental capabilities are not fully developed or who lack experience and knowledge provided that they are supervised or trained on the safe use of the product and the risks involved. Children should not play with the product. Cleaning and maintenance works should not be performed by children unless they are supervised by someone. Children under the age of 3 must be kept away from the product unless they are continuously supervised.

WARNING!

- Never place the product on a carpet-covered floor. Otherwise, lack of airflow beneath the product will cause electrical parts to overheat. This will cause problems with your product.

INFORMATION

- Always have the installation procedures carried out by authorised persons. The manufacturer shall not be held liable for damages that may arise from procedures carried out by unauthorised persons.

1.1.1 Electrical safety

DANGER!

- If the product has a failure, it should not be operated unless it is repaired by the Authorised Service Agent. There is risk of electric shock!
- Never wash the product by spreading or pouring water onto it! There is risk of electric shock!

CAUTION!

- If the power cable is damaged, it must be replaced by the manufacturer, after sales service or a similarly qualified person (preferably an electrician) or someone designated by the importer in order to avoid possible risks.

WARNING!

- Unplug the product when it is not in use.
- Never touch the plug with wet hands! Never unplug by pulling on the cable, always pull out by grabbing the plug.
- Unplug the product during installation, maintenance, cleaning and repair.
- Do not make connections via extension cables or multi-plugs.

INFORMATION

- This product is designed to resume operating in the event of powering on after a power interruption. If you wish to cancel the programme, see "Cancelling the programme" section.

Obsah je uzamčen

**Dokončete, prosím, proces objednávky.
Následně budete mít přístup k celému dokumentu.**

Proč je dokument uzamčen? Nahněvat Vás rozhodně nechceme. Jsou k tomu dva hlavní důvody:

- 1) Vytvořit a udržovat obsáhlou databázi návodů stojí nejen spoustu úsilí a času, ale i finanční prostředky. Dělali byste to Vy zadarmo? Ne*. Zakoupením této služby obdržíte úplný návod a podpoříte provoz a rozvoj našich stránek. Třeba se Vám to bude ještě někdy hodit.

**) Možná zpočátku ano. Ale vězte, že dotovat to dlouhodobě nelze. A rozhodně na tom nezbohatneme.*

- 2) Pak jsou tady „roboti“, kteří se přiživují na naší práci a „vysávají“ výsledky našeho úsilí pro svůj prospěch. Tímto krokem se jim to snažíme překazit.

A pokud nemáte zájem, respektujeme to. Urgujte svého prodejce. A když neuspějete, rádi Vás uvidíme!
