CMH-9300-SL

Before putting this product into operation, please read carefully all the instructions, even if you are already familiar with using similar products. Use the product only as described in this manual. Keep this manual in case you need it for future reference.

EN

The electronic version of this user manual can be downloaded on the website www.connectit-europe.com.

We recommend keeping the original packaging of the product, invoice and warranty certificate at least for the time the warranty is valid. When shipping the product, we recommend using the original packaging that the product was delivered in that will provide the best protection for it from being damaged during transport.

1 Warning

- When installing the screen, use an assistance of another person.
- During the installation, tighten the screws properly, but make sure not to strip the threads. That could damage the installed screen or significantly decrease the maximum load of the mount.
- This wheeled mount is designed for indoor use only. Outdoor use may cause harm, damage to the mount or the installed screen.
- Check the stability and safety of the mount at least every three months.

Obsah je uzamčen

Dokončete, prosím, proces objednávky.

Následně budete mít přístup k celému dokumentu.

Proč je dokument uzamčen? Nahněvat Vás rozhodně nechceme. Jsou k tomu dva hlavní důvody:

1) Vytvořit a udržovat obsáhlou databázi návodů stojí nejen spoustu úsilí a času, ale i finanční prostředky. Dělali byste to Vy zadarmo? Ne*. Zakoupením této služby obdržíte úplný návod a podpoříte provoz a rozvoj našich stránek. Třeba se Vám to bude ještě někdy hodit.

**) Možná zpočátku ano. Ale vězte, že dotovat to dlouhodobě nelze. A rozhodně na tom nezbohatneme.*

2) Pak jsou tady „roboti“, kteří se přiživují na naší práci a „vysávají“ výsledky našeho úsilí pro svůj prospěch. Tímto krokem se jim to snažíme překazit.

A pokud nemáte zájem, respektujeme to. Urgujte svého prodejce. A když neuspějete, rádi Vás uvidíme!
