INTERCONNECTABLE

Fire alarm triggered simultaneously on all smoke detectors in the home

TaHoma®

More options for the connected home

Thank you for choosing a Somfy product.

Who are Somfy?

Somfy develops, manufactures and sells motors and automatic control devices for domestic equipment, as well as solutions for smart homes. Motorisation systems for gates, garage doors and roller shutters, alarm systems, lighting controls, heating thermostats, smart home units and dedicated accessories; all Somfy products are designed to meet your expectations in terms of safety, comfort and energy efficiency. At Somfy, the pursuit of quality is a continuous process of improvement. Somfy's reputation has been built upon the reliability of its products and the Somfy brand is synonymous with innovation and technological expertise worldwide.

Assistance

Somfy's approach is to get to know you, listen to your needs and meet your requirements. For more information on how to choose, purchase or install Somfy products, please ask for advice at your local dealer or contact a Somfy advisor directly for help and assistance.

Warranty

This product is guaranteed for 2 years from the date of purchase.

Important information - safety

General information

Read this installation guide and the safety instructions carefully before installing this Somfy product. All the instructions given must be followed closely and this guide must be stored in a safe place throughout the service life of your product.

These instructions describe how to install and commission this product.

Any installation or use outside the field of application specified by Somfy is forbidden.

This invalidates the warranty and discharges Somfy of all liability, as does any failure to comply with the instructions given herein.

Somfy cannot be held liable for any changes in standards which come into effect after the publication of these instructions.

General safety instructions

- This product is not designed to be used by persons (including children) whose physical, sensory or mental capacity is impaired, or persons with little experience or knowledge, unless they are under supervision or have received instructions on using this product by a person responsible for their safety.
- Do not let children play with this product.
- Do not immerse the product in liquid.
- Do not drop, drill or dismantle this equipment, as this will invalidate the warranty.
- Do not expose this equipment to high temperatures or leave it in direct sunlight.

Obsah je uzamčen

Dokončete, prosím, proces objednávky.

Následně budete mít přístup k celému dokumentu.

Proč je dokument uzamčen? Nahněvat Vás rozhodně nechceme. Jsou k tomu dva hlavní důvody:

- 1) Vytvořit a udržovat obsáhlou databázi návodů stojí nejen spoustu úsilí a času, ale i finanční prostředky. Dělali byste to Vy zadarmo? Ne*. Zakoupením této služby obdržíte úplný návod a podpoříte provoz a rozvoj našich stránek. Třeba se Vám to bude ještě někdy hodit.

**) Možná zpočátku ano. Ale vězte, že dotovat to dlouhodobě nelze. A rozhodně na tom nezbohatneme.*

- 2) Pak jsou tady „roboti“, kteří se přiživují na naší práci a „vysávají“ výsledky našeho úsilí pro svůj prospěch. Tímto krokem se jim to snažíme překazit.

A pokud nemáte zájem, respektujeme to. Urgujte svého prodejce. A když neuspějete, rádi Vás uvidíme!
