(Power Bank) 10 000 mAh

- | 1 | Touch display
- | 2 | USB C input/output 18W
- | 3 | USB A output QC 3.0 (18W)

Start-up

Power bank is pre-charged and it is ready to use.
The touch display will show current battery capacity.

Using your power bank

- Your device will start being charged as soon as the cable is connected to the Power bank.
- The USB C port is also used to charge the power bank with an input power up to 18W.
- Thanks to the two output ports, you can charge two devices simultaneously. The output power will be reduced to 5W for each port.
- The Power bank charging time depends on the charging adapter being used.

Specifications

- Capacity: 10,000mAh
- Battery: Li-ion 21700
- Input: USB C: DC 5V/3A 9V/2A (18W)
- Output: USB C: DC 5V/3A, 9V/2A, 12V/1.5A (18W)
USB A: DC 5V/3A, 9V/2A, 12V/1.5A (18W)
- Material: Aluminium
- Dimensions: 79 × 67 × 24mm
- Weight: 188 g

Supply content

1x Power Bank YPB 1180 YENKEE
1x USB C cable

Safety Instructions

Do not shortcut.
Do not disassemble or attempt to repair.
Do not throw into fire or water.

Do not put the power bank in car, strong light and high temperature will lead to product damage.

Keep the power bank away from children.

Do not put any item into the power bank USB input and output ports to avoid any shortcut or damage.

Instructions and information regarding the disposal of used packaging materials

Dispose of packaging material at a public waste disposal site.

Disposal of used electrical and electronic appliances

The meaning of the symbol on the product, its accessory or packaging indicates that this product shall not be treated as household waste. Please, dispose of this product at your applicable collection point for the recycling of electrical & electronic equipment waste. Alternatively in some states of the European Union or other European states you may return your products to your local retailer when buying an equivalent new product.

The correct disposal of this product will help save valuable natural resources and help in preventing the potential negative impact on the environment and human health, which could be caused as a result of improper liquidation of waste. Please ask your local authorities or the nearest waste collection centre for further details. The improper disposal of this type of waste may fall subject to national regulations for fines.

For business entities in the European Union

If you wish to dispose of an electrical or electronic device, request the necessary information from your seller or supplier.

Disposal in other countries outside the European Union

If you wish to dispose of this product, request the necessary information about the correct disposal method from local government departments or from your seller.

This appliance complies with EU rules and regulations regarding electromagnetic and electrical safety.

Changes to the text, design and technical specifications may occur without prior notice and we reserve the right to make these changes.

Obsah je uzamčen

Dokončete, prosím, proces objednávky.

Následně budete mít přístup k celému dokumentu.

Proč je dokument uzamčen? Nahněvat Vás rozhodně nechceme. Jsou k tomu dva hlavní důvody:

- 1) Vytvořit a udržovat obsáhlou databázi návodů stojí nejen spoustu úsilí a času, ale i finanční prostředky. Dělali byste to Vy zadarmo? Ne*. Zakoupením této služby obdržíte úplný návod a podpoříte provoz a rozvoj našich stránek. Třeba se Vám to bude ještě někdy hodit.

**) Možná zpočátku ano. Ale vězte, že dotovat to dlouhodobě nelze. A rozhodně na tom nezbohatneme.*

- 2) Pak jsou tady „roboti“, kteří se přiživují na naší práci a „vysávají“ výsledky našeho úsilí pro svůj prospěch. Tímto krokem se jim to snažíme překazit.

A pokud nemáte zájem, respektujeme to. Urgujte svého prodejce. A když neuspějete, rádi Vás uvidíme!
