Thank you for choosing a Hama product. Take your time and read the following instructions and information completely. Please keep these instructions in a safe place for future reference. If you sell the device, please pass these operating instructions on to the new owner.

### 1. Explanation of Warning Symbols and Notes

#### Warning

This symbol is used to indicate safety instructions or to draw your attention to specific hazards and risks.

#### Note

This symbol is used to indicate additional information or important notes.

### 2. Package Contents

- 'X-Pointer 6in1' laser presenter
- 2 AAA batteries
- Set with warning labels
- These operating instructions

### 3. Safety Notes

- The product is intended for private, non-commercial use only.
- Protect the product from dirt, moisture and overheating, and only use it in a dry environment.
- Do not drop the product and do not expose it to any major shocks.
- Do not operate the product outside the power limits given in the specifications.
- Do not continue to operate the device if it becomes visibly damaged.
- **Children** are not permitted to play with the device.
- Dispose of packaging material immediately according to locally applicable regulations.
- Do not modify the product in any way. Doing so voids the warranty.

### Warning – Batteries

- When inserting batteries, note the correct polarity (+ and - markings) and insert the batteries accordingly. Failure to do so could result in the batteries leaking or exploding.
- Only use batteries (or rechargeable batteries) that match the specified type.
- Always choose the battery size and grade that best suits the intended purpose. Keep these operating instructions in a safe place for future reference, as they provide information about choosing the right battery.
- Replace all the batteries in a set at the same time.
- Do not short-circuit batteries.
- Do not charge batteries.
- Do not throw batteries in a fire.
- Keep batteries out of the reach of children.
- Do not allow children to change batteries without supervision.
- Remove the batteries from products that are not being used for an extended period.
- Immediately remove and dispose of dead batteries from the product.
- Before you insert the batteries, clean the battery contacts and the polar contacts.

### Warning – Laser

- Do not look directly at the laser beam! Close your eyes and turn your head away if your eyes meet the laser beam.
- Do not shine light at persons using binoculars or telescopes!
- Do not look directly at the laser beam! Do not look directly at the laser beam using optical instruments!
- This product contains a class 1 laser in accordance with EN60825-1:2014.

# Obsah je uzamčen

**Dokončete, prosím, proces objednávky.**

**Následně budete mít přístup k celému dokumentu.**

**Proč je dokument uzamčen? Nahněvat Vás rozhodně nechceme. Jsou k tomu dva hlavní důvody:**

- 1) Vytvořit a udržovat obsáhlou databázi návodů stojí nejen spoustu úsilí a času, ale i finanční prostředky. Dělali byste to Vy zadarmo? Ne\*. Zakoupením této služby obdržíte úplný návod a podpoříte provoz a rozvoj našich stránek. Třeba se Vám to bude ještě někdy hodit.

*\*) Možná zpočátku ano. Ale vězte, že dotovat to dlouhodobě nelze. A rozhodně na tom nezbohatneme.*

- 2) Pak jsou tady „roboti“, kteří se přiživují na naší práci a „vysávají“ výsledky našeho úsilí pro svůj prospěch. Tímto krokem se jim to snažíme překazit.

A pokud nemáte zájem, respektujeme to. Urgujte svého prodejce. A když neuspějete, rádi Vás uvidíme!
